Re: 2012 Street Improvement Funds

Dear County Judge Neal:

Enclosed is the 2012 Notification of Funding regarding the Interlocal Agreement between the RTA and Nueces County for the Street Improvement Program. In order to receive the 2012 funding identified in the Notification, the City must submit a list of street improvement projects to the RTA for its review.

The RTA Board currently is working on changes to the funding formula. We plan to notify you of the new funding amount in January of 2013, and we will develop a new Interlocal Agreement to address the program changes.

Under the Interlocal Agreement, all projects funded by the RTA should be identified as an RTA-funded project through signage located on the site of the project. The RTA will provide signs for this purpose, so please contact the RTA to request a sign when you are ready to start construction.

Please let us know if you have any questions.

Very truly yours,

Scott Neeley
CEO

**NOTIFICATION OF ADDITIONAL FUNDING
(Street Improvement Fund)**

The Regional Transportation Authority in Corpus Christi, Texas ("RTA"), a metropolitan transit authority operating under Chapter 451 of the Texas Transportation Code, and Nueces County, Texas ("County"), have entered into an Interlocal Agreement providing funding by the RTA to the County for a Street Improvement Program.

The RTA has allocated the amount of \$93,767.00 for its fiscal year 2012 under the Interlocal Agreement. All terms and conditions of the existing Interlocal Agreement shall continue in full force and effect and apply to this additional funding.

The County agrees to submit its proposed list of street improvement projects for fiscal year 2012 promptly. The County agrees to file a report with the RTA within 90 days following the end of each year on the expenditure of the funds paid to the County during the previous fiscal year.

DATED this ____ day of September, 2012
