

Corpus Christi Black Chamber of Commerce
Overview and Expenditure Report of Grant Award

FY 11-12
outside Agency
REPORT

August 2012

The Board of Directors of the Corpus Christi Black Chamber of Commerce wishes to thank the Nueces County Commissioners Court for awarding the \$1500.00 in support of our *Show Biz Seminar* that was held August 27, 2012.

The *Show Biz Seminar* yielded over 75 attendees and 20 business exhibitors. Each business had the opportunity to showcase, promote, and advertise its wares and services in a public forum. The Corpus Christi Black Chamber of Commerce is also pleased that new members joined as a result of this event.

Additionally, one of the roles of our VP Economic Development is to help other businesses outside of Nueces County and the State of Texas learn of the diversity in our city. To that end, during the many months of business traveling, our VP distributes CDs of our business seminars to multiple businesses she frequents throughout the year. Each year, our Chamber creates new CDs to help promote Corpus Christi as a diverse place to do business.

Funds were expended as listed below:
