COUNTY BOARD OR COMMISSION INFORMATION			
Explain why you are interested in serving on this Board or Commission and what experience you bring that would assist in decision making and future actions of this Board or Commission.			
Since 2009, I have coordinated "Safety 1st" a yearly campaign that brings community organizations together to speak on a variety of issues on school campus that will help students make better decisions on issues that they may encounter such as health, nutrition, drugs, alcohol, smoking, abuse, and first aid. The project's focus has been on prevention and intervention. Now I would like to expand my experiences to include our community. I firmly believe that as an educator and community member, it is important for the community to be informed on issues affecting their livelihoods.
