The certificates for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf.

be obligated, however, to review same or to advise Provider of any deficiencies in such policies and endorsements, and such receipt shall not relieve Provider from, or be deemed a waiver of the County's right to insist on, strict fulfillment of Provider's obligations under this Agreement.

- 6.4 Subcontractors. Providers' certificate(s) shall include all subcontractors as additional insured under its policies or Provider shall furnish to the County separate certificates and endorsements for each subcontractor. 7.2.2 The County may elect not to declare an Event of Default or default under this Agreement or to terminate this Agreement upon the occurrence of an Event of Default. The parties acknowledge that this provision is solely for the benefit of the County, and that if the County allows Provider to continue to provide the Services despite the occurrence of one or more Events of Default, Provider shall in no way be relieved of any of its responsibilities or obligations under this Agreement, nor shall the County be deemed to waive or relinquish any of its rights under this Agreement.

7.3 Right to Offset. ## 8. GENERAL PROVISIONS

8.1 Headings. The article and section headings contained herein are for convenience in reference and are not intended to define or limit the scope of any provision of this Agreement.

8.2 Jurisdiction and Venue. This Agreement shall be administered and interpreted under the laws of the State of Texas. Provider hereby submits itself to the original jurisdiction of those courts located within Nueces County, Texas.

8.3 Mediation. As a condition precedent to any party to this Agreement filing a lawsuit the parties shall conduct a mediation. The parties to this Agreement covenant, agree, warrant, and represent that they will conduct the mediation in good faith seeking to resolve any dispute between the parties prior to filing a lawsuit. The parties further covenant, agree, warrant, and represent that should a party file a lawsuit without first attending a mediation, the non-filing party shall be entitled to abate the lawsuit until such time as the parties have conducted a mediation. The parties will make a good faith attempt to agree on a mediator. If the parties cannot agree on a mediator, then each party will select a mediator and the two mediators will select a mediator for the parties. The selection of a mediator made by the two mediators who are selected by the parties is binding on the parties. At the conclusion of the mediation, at the time the mediator declares an impasse, or at the time the parties execute a final settlement agreement between the parties, whichever occurs first, the parties will be deemed to have complied with the requirements of this section. Each party agrees to bear its own costs in mediation.

8.4 Severability. If any part of this Agreement is determined by a court to be in conflict with any statute or constitution or to be unlawful for any reason, the parties intend that the remaining provisions of this Agreement shall remain in full force and effect unless the stricken provision leaves the remaining Agreement unenforceable.

8.5 Assignment. This Agreement is binding on the heirs, successors and assigns of the parties hereto. This Agreement may not be assigned by either the County or Provider without prior written consent of the other.

8.6 Conflict of Interest. Provider covenants that Provider presently has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Provider further covenants that in the performance of this Agreement, Provider shall not engage any employee or apprentice having any such interest.

8.7 Authority to Contract. Each party represents and warrants that it has full power and authority to enter into this Agreement and perform its obligations hereunder, and that it has taken all actions necessary to authorize entering into this Agreement.

8.8 Integration. This Agreement represents the entire understanding of County and Provider as to those matters contained in this Agreement, and no prior oral or written understanding shall be of any force or effect with respect to those matters. This Agreement may not be modified or altered except in writing signed by duly authorized representatives of the parties.

8.9 Non-appropriation. If the County Commissioners Court does not appropriate funds to continue this Contract and pay for charges hereunder, the County may terminate this Contract at the end of the current fiscal period, or at the time that funds are no longer

available to meet the County's payment obligations hereunder. The County agrees to give written notice of termination to the Provider at least sixty (60) days prior to any termination for a lack of funds and will pay to the Provider all approved charges incurred prior to Provider's receipt of such notice.

8.10 Subcontractors. This Agreement or any portion thereof shall not be sub-contracted without the prior written approval of the County. No Subcontractor shall, under any circumstances, relieve Provider of its liability and obligation under this Agreement. The County shall deal through Provider and any Subcontractor shall be dealt with as a worker and representative of Provider. Provider assumes responsibility to the County for the proper performance of the work of Subcontractors and any acts and omissions in connection with such performance. Nothing in the Contract Documents is intended or deemed to create any legal or contractual relationship between the County and any Subcontractor or Sub-Subcontractor, including but not limited to any third-party beneficiary rights.

8.11 Waiver. No failure to enforce any condition or covenant of this Agreement by the County shall imply or constitute a waiver of the right of the County to insist upon performance of the condition or covenant, or of any other provision of this Agreement, nor shall any waiver by the County of any breach of any one or more conditions or covenants of this Agreement constitute a waiver of any succeeding or other breach under this Agreement.

8.12 Discrimination. In the performance of this Agreement, the parties agree that they shall not discriminate or permit discrimination against any person because of age, sex, marital status, race, religion, color, or national origin.

8.13 Ownership of Information. Provider may keep copies of such documents for its records.

8.14 Successors and Assigns. This Agreement, and all the terms and provisions hereof, shall be binding upon and shall insure to the benefit of the County and Provider, and their respective legal representatives, successors, and assigns.

8.15 No Third Party Beneficiaries: This Agreement and all of its provisions are solely for the benefit of Provider and the County and are not intended to and shall not create or grant any rights, contractual or otherwise, to any third person or utility.

8.17 Survival of Covenants: Any of the representations, warranties, covenants, and obligations of the parties, as well as any rights and benefits of the parties, pertaining to a period of time following the termination of this Agreement shall survive termination.

## 9. DISCLOSURE OF AGREEMENT; INTERLOCAL ARRANGEMENTS.

9.1 Disclosure of Agreement Terms. The terms and conditions of this Agreement

may be disclosed by either party to other public agencies for the purpose of such other agencies purchasing services under this Agreement pursuant to an interlocal or cooperative arrangement with the County. In addition, Provider may disclose the terms and conditions of this Agreement in an effort to show that the terms offered to another public agency are fair and reasonable or to determine the best value. It is understood that the Provider shall not be precluded from disclosing the terms and conditions of its form of Service Agreement to any other third party at Swagit's sole discretion and for any reason.

9.2 Included Parties; Interlocal Agreement. Pursuant to any interlocal, intergovernmental, or other such cooperative agreement with the County, Provider will accept orders from, and will furnish the Provider's Software, Hardware, Professional Services, and Managed Services as outlined in the Proposal to any governmental agency or other public entity authorized by the County to use the Proposal, based upon substantially the same terms and conditions of this Agreement, with the exception of price schedules.

The Provider agrees to supply, sell, and contract separately with other similar or related political subdivisions (i.e., colleges, school districts, counties, cities, etc.) of the County, based upon substantially the same terms and conditions of this Agreement, with the exception of price schedules, in an effort to establish the terms and conditions as fair and reasonable.

## 10. DURATION

10.1 Length. This Agreement shall become effective on and from the day and year executed by the parties, indicated below, and shall continue in force for an initial term of twelve (12) months, unless sooner terminated as provided above. All pricing is to remain firm during the contract period. This Agreement will automatically renew for additional one-year terms unless this Agreement is terminated by either party providing written notice of its intent to terminate the Agreement to the other party not less than sixty (60) days prior to the end of the then current term.

### EASE Solution

---

Built upon years of industry experience, Extensible Automated Streaming Engine (EASE) is a software framework comprised of foundation and extension modules that work together to automate many otherwise manually intensive tasks. This completely hands-off solution meets the current and future needs of your entity without creating any additional work for the county's clerks or webmasters.

- **Video Capture and Encoding**

EASE Encoder records content according to your broadcast schedule and transfer the recorded audio/video to the Swagit Content Network via a secure Virtual Private Network (VPN) connection, making it available for live and/or on-demand streaming.

- **Indexing and Cross Linking**

Using your published meeting agendas as a guide, Swagit's Managed Service Division (SMSD) indexes the meetings without any work from the county. SMSD will annotate your content by adding jump-to points with specific item headings, giving users the greatest flexibility to find the specific content they need. With these jump-to points, users can step through video by searching for or clicking specific items.

- **Agenda Management Integration**

If meeting packets or other related information is available online, SMSD will link them directly to the video player for easy access.

**Swagit's EASE solution integrates with all Document/Agenda Management solutions.**

- **Archiving**

Client audio/video can be stored securely on the Swagit Content Network indefinitely. Fault tolerance and high availability is assured through replication of audio/video content to multiple, geographically redundant, Storage Area Networks (SAN). Our standard packages include 80GB of storage, enough for approximately three full years of county meetings.

- **Presentation**

By navigating through the video library, users can view a list of meetings chronologically and once in a selected meeting you can unleash the power of the jump-to markers to search for specific points within individual audio/video clips.

- **Delivery**

In order to deliver on-demand content to end users in a format that is native to their computer's operating system, Swagit can deliver content in all major streaming video formats: HTML5, Flash, Windows Media, QuickTime and Real. Swagit is proud to support HTML 5 with fallback to Flash as its default format, which has proven itself as the format of choice from such vendors as YouTube, Google Video, Facebook, ABC and NBC/Universal.

# EASE Solution

- **Monitoring**

In the rare event of trouble our engineers are promptly notified so that they may dispatch a swift response in accordance with our support procedures.

- **Statistics**

Swagit collates log files from our streaming servers monthly and processes them with the industry recognized Google Analytics. Google Analytics generates reports ranging from high-level, executive overviews to in depth quality of service statistics. These reports help to highlight growth trends and identify popular content.

- **Support**

Beyond our proactive monitoring and response, Swagit offers ongoing, 24/7 technical support for any issues our clients may encounter. While our choice of quality hardware vendors and a thorough pre-installation testing phase go a long way toward ensuring trouble free operation of our EASE Encoders, we do recognize that occasionally unforeseen issues arise.
