Dear Ms. Rach:

The Directors of the Coastal Bend Community Foundation met yesterday to approve the Foundation's 2013 annual grant awards. This year the Foundation received over 150 applications requesting almost \$1.7 million for many worthy projects. We are pleased to inform you that your proposal to assist low income senior citizens with rent, utilities and food was awarded a grant of \$10,000.00. We invite you to a special presentation on September 5, 2013 at 10:00am. at the Del Mar College Center for Economic Development, Room 106 to pick up the check. Please also invite your staff and board members as appropriate.

Our board and donors get the greatest satisfaction from our grant awards in knowing that our partnership with organizations like yours truly does improve the quality of life in the Coastal Bend. We constantly work to create awareness of the needs in our communities and to increase donor interest to help address them. We will be asking you to partner with us in the coming year to promote the benefits of philanthropy in our community. Our grant publicity policy will be enclosed with your check and we welcome additional thoughts you may have to better encourage community philanthropy.

Thank you for considering the Coastal Bend Community Foundation in your list of potential funders. We are excited that we can provide this grant support and look forward to learning more about your plans and programs. We wish you every success in carrying them out.

Very truly yours,

Karen W. Selim, J.D.
