COUNTY BOARD OR COMMISSION INFORMATION

Explain why you are interested in serving on this Board or Commission and what experience you bring that would assist in decision making and future actions of this Board or Commission.

Presently I live in Houston and Secondarywork in Brownsville, but expect to have a home in Corpus Christi by summer 2014 where I will reside part time. I have a master's in library science from the University of North Texas and worked in libraries while a student at Robstown High School, in undergraduate and graduate school, and as a professional librarian in Houston before law school. I would like to participate in the service the Keach Library provides to the community.

I hereby certify that the foregoing answers are true. I further certify, should I be considered for appointment to a board, commission, advisory board or committee I will disclose in this application whether I am an employee of the governmental entity of which I seek appointment, I will disclose all appointments that may result in conflicting loyalties, and I will disclose if a family member is an employee of the governmental entity that I seek appointment. Also should I be appointed to a board, commission, advisory board or committee, and should a conflict of interest exist or develop with regard to a specific matter, I will disclose the conflict of interest upon discovery and recuse myself from the deliberations and action involved. Conflicts of interest include, but are not limited to: a direct or indirect financial interest by myself or a member of my family, and other interest, which impairs my ability to participate fairly in the deliberations and actions in question.
