It is with great honor that I submit my request for reappointment to the Nueces County Library Advisory Board for the upcoming 2014-2016 term. I have faithfully served on our Board for four terms...since January, 2006, and feel that I bring honor, dedication and commitment to this position.

If reappointed, I assure you that I will continue to serve faithfully and make sure that all LAB policies are maintained and adhered to. I would greatly appreciate your consideration!

Thank you!
