Nueces County Commissioners Court
Attn: Joe A. Gonzalez, Commissioner Pct 2
901 Leopard, Rm 303
Corpus Christi, Texas 78401

Dear Judge and Commissioners,

In 2014, with your \$800.00 grant, we were able to reach over 1,200 American Legion members and their families, and some citizens of Nueces County through the health fair and our monthly news letter regarding Diabetes Awareness.

During the free Health Fair screening clinic, a booth was specifically set up to check glucose levels. There were several individuals in which high glucose level readings were noted. These individuals were advised of their readings and it was recommended that they follow up with their physicians. Also, in the American Legion Newsletter we provided information on Type 2 Diabetes, which included awareness of signs, symptoms and prevention of this disease.

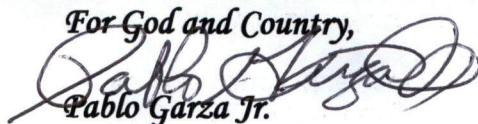

This program is very important to our community, since our county ranks very high in diabetic cases.

On behalf of American Legion Bill Roper Country Post 364, we thank you for allowing us to serve the veterans and citizens of Nueces County in our efforts to bring diabetes awareness to them.

Hopefully we will be able to continue with this program this year with your help.

Once again, we thank you for your support and commitment to the veterans of Nueces County.

For God and Country,

Pablo Garza Jr.

Post Commander
