ADDENDUM A

Occasionally, customers have a need to move our SOFTWARE licenses to new HARDWARE, either due to HARDWARE failure or simply as a HARDWARE upgrade. DATAWORKS PLUS considers application upgrades as a part of our standard maintenance plan. However, system moves are not covered under the plan. Customer should contact DATAWORKS PLUS for pricing for system moves. Customers who need to move SOFTWARE/databases to new HARDWARE will need to do the following:

DATAWORKS PLUS Non-Customer Time and Materials Information Sheet

DATAWORKS PLUS regrets that your Agency will no longer continue with a standard maintenance contract and hope to work with you as a regular maintenance customer in the future. To assist you during this time, please review the following "Time and Materials" procedures listed below:

- If technical assistance is needed, please contact DATAWORKS PLUS at 866.632.2780 x 3. The rate for T&M customers is as follows:

BILLABLE RATES (Without a Maintenance and Support Agreement)

8 a.m. – 5 p.m. (M-F, local time)	\$225 per hour, 2 hours minimum charge
After 5 p.m., Saturday, Sunday and Holidays	\$450 per hour, 2 hours minimum charge

- Upon receipt of the purchase order, our technicians will connect to your site to determine the cause of the problem and an estimate of time for resolution.

- Upon closure of the ticket, DATAWORKS PLUS will issue an invoice with the purchase order given at the time of the initial call. Please note that agencies with current maintenance contracts will get priority in our support tracking system. However, we are happy to give agencies a time-frame for resolution.
