Dear Judge Neal,

**Subject: Appointment to Nueces County Emergency Services District #6 Board**

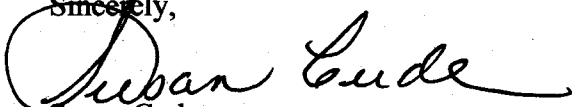

This letter is to inform you of my interest in continuing to serve as a Board Member of the Nueces County Emergency Services District #6. It has been an honor and a learning experience serving on this Board. This year the Board has been very successful in its accomplishments.

We are very proud of our new EMS Station in Driscoll and are looking forward to an Open House in the near future. We have also contracted with a very reliable well organized Ambulance Service Provider, Allegiance. With this addition to our team we have seen improved service and excellent communication.

The Board is looking forward to continued improvements to our Districts ambulance service. I ask that you allow me to continue to serve as a Board Commissioner/Treasurer for another term.

Your continued support of my services is greatly appreciated. Should you have any questions or need further information please let me know. I can be reached at 361-290-0962.

Sincerely,

Susan Cude  
Nueces County Emergency Services District #6  
Board Commissioner/Treasurer
