**RE: Fee Schedule Amendment – Engineering Services Contract
Habitat Management Plan, Nueces County Kleberg Land**

Dear Mr. Cross:

In accordance with Article 5 and Article 14, we would like the County's authorization to modify the Attachment D – Fee Schedule, and make a subconsultant addition to the contract. These modifications will not make any monetary changes to the contract.

The requested Attachment D – Fee Schedule modifications are included in attached revision (Attachment D – Fee Schedule R1). The revision includes reduction of the Project Scientist III allocated time and inclusion of Vega Environmental Consulting as a Subconsultant. Additionally, we would like to add the job title Sr. Project Engineer (equivalent to Sr. Project Scientist), and Admin Assistant III.

The Article 14 authorization is related to utilizing Mary Ellen Vega, dba Vega Environmental Consulting. Ms. Vega had previously been included in our fee schedule under the Project Scientist III job title. However because of our recent organizational changes, she has chosen to be an independent contractor. Her knowledge of matters related to the above referenced project make her a valuable and important asset to the success of this project.

Please let me know if you have any questions or need clarification regarding our proposed changes. Please acknowledge your acceptance of these modifications at your earliest opportunity.

Sincerely,
HANSON PROFESSIONAL SERVICES INC.

Terald E. Smith, P.G.
Assistant Vice President
