**RE: Request for Debris Management Site Approval
Gulley Debris Management Site
Nueces County, Texas**

Dear Ms Phillips,

We have attached Form TCEQ-20660 for approval of the debris management site. A map showing the relationship of the proposed site to the adjacent permitted landfill (Gulley-Hurst Type IV Landfill, MSW Permit No. 2349) is included on an excerpt from the current FEMA Flood Insurance Rate Map (FIRM). A legal description of the property which includes the debris site is also included. Local government does not object to approval of the site as indicated by the signature of Nueces County Judge Loyd Neal on page 4 of the request.

Please contact me at 361-533-7102 or by email at mitch@mtmetex.com as needed.

Respectfully submitted,
Modern Technology-Modern Environment
