Re: Port of Corpus Christi Authority of Nueces County

Dear Judge Neal:

Please let this correspondence serve as my request to be considered by the Nueces County Commissioners Court for re-appointment as a Commissioner to the Port of Corpus Christi Authority. I have had the honor and privilege of serving as a Commissioner for the past six (6) years, the last two (2) as Chairman of the Commission. I believe that I have been a part of a Commission that recognizes that the Port is one of the primary economic indicators in our community. I also think its continued growth is vital to the communities in the Coastal Bend and to their economies as we continue to expand our economic base. I have been a part of this growth and expansion and would like to continue to serve you, the Commissioners Court and the communities that comprise the Coastal Bend.

I would ask that you favorably consider my request to continue to serve our community by re-appointing me as a Commissioner to the Port of Corpus Christi Authority.

Very truly yours,

Charles W. Zahn, Jr.
