**Services to be Provided by County**

The following shall be provided by the county to assist in the survey and certification of county facilities.

1. Provide copies of available plans in PDF format of county facilities referenced in the Settlement Agreement.
2. Provide reasonable access to all county facilities. County shall appoint one or more county employees to ensure all facilities are open and accessible to ILA and their sub-consultants on the expected day of the survey.
3. Provide a conference or meeting room within county as needed where ILA may meet with its sub-consultants and work on reports as necessary.
4. The County shall be reasonably available to the ILA as needed to complete the work.
5. Provide a list of all polling locations, voter registration facilities and shelters utilized by the county. This list will include the name of the facility, address, telephone number and contact information.
6. Provide a list of all County facilities not inspected by the United States. This list will include the name of the facility, address, telephone number and contact information.
7. The County shall notify and seek cooperation of all polling, voter registration facilities, and shelters utilized by the county in providing access to same by ILA and/or its sub-consultants.
8. Provide a badge identifying ILA and its sub-consultants as an ADA Surveyor for the County.
9. Notification of building managers and/or staff as applicable of the inspections and purpose of the ILA site inspection.
10. The County will not hold the ILA liable for any delay in the performance of this Contract, nor for any other breach, loss or damage arising from forces not under the control of the ILA such as locations of facilities which have not been disclosed to the ILA, incidents of nature, fire, theft, or war, or any other reason that could not have been reasonably avoided.
